## Henry E. Bass Basic Acoustics Summer School at Ole Miss

**PURPOSE:** The purpose of the Henry E. Bass Basic Acoustics Summer School (BASS) is to bring undergraduate students, distinguished Research Scientists of the National Center for Physical Acoustics (NCPA), and Discussion Leaders together to explore a wide variety of topics in physical acoustics and engineering. BASS will give students opportunities to do research directed by experts, exploring topics that are not ordinarily encountered in the undergraduate experience.

**STUDENTS:** The focus of BASS is on intermediate and advanced undergraduate students. A limited number of undergraduate students will be selected.

**RESEARCH PARTICIPATION:** Each student will be assigned a research advisor and a research topic for the program. The student will work in the lab, attend organized lectures, take training courses, and participate in discussion groups.

**STIPEND:** Participants will receive a \$3,500 stipend and dormitory housing, if needed. Participants have to provide their own transportation to and from The University of Mississippi.

**PROGRAM DATES:** The Program will be held June 6, 2022 to July 29, 2022.

**APPLICATION:** The application can be downloaded from [ncpa.olemiss.edu/bass-2022/](http://ncpa.olemiss.edu/bass-2022/). There is no application fee. The deadline for submission is February 28, 2022. The application and required attachments should be submitted to Marta Panickar ([mbp@olemiss.edu](mailto:mbp@olemiss.edu)).
